Discover The Source

Lesson 1 - OVERVIEW: *The Holy Spirit of God:* Many people are unaware of the Presence and Power of the Holy Spirit in the world around us and in our own personal lives. This lesson focuses on discovering evidence of His Presence and of His work in the Old Testament and in the Life of Jesus.

Lesson 2 - *The Holy Spirit in the New Testament:* Evidence of the Holy Spirit is more prevalent in the New Testament following the Ascension of Jesus. In this lesson, we will study about the Day of Pentecost when He came to indwell believers and begin to look at all the ways He is supposed to work within the lives of believers.

Lesson 3 - *The Filling and Power of the Holy Spirit:* This lesson discusses the differences between the "indwelling" and of the Spirit and the "Filling" of the Spirit and looks at what is necessary for us to do to experience both and what are the results when we do.

Lesson 4 - *The Fruit of the Spirit:* Not only does the Holy Spirit of God indwell those who believe in Jesus and fill them with His Power, but He also helps us to be "fruitful." This lesson focuses on the differences between the Spiritual fruit that grows in our hearts when we remain attentive to the Holy Spirit within us and the fruit of the sinful nature that grows when we focus on satisfying our own selfish desires.

Lesson 5 - *The Gifts of the Spirit:* The Holy Spirit is very active in a believer's life in so many different ways including the fact that He gives each believer at least one Spiritual gift that is to be used to serve others. There are numerous gifts that we can receive and it's important for us to understand what these gifts are and how they are to be used effectively.

Lesson 6 - *The Gifts of Ministry:* This lesson continues to study other gifts that are given by the Holy Spirit including some specific gifts of ministry. Each person needs to discover which of these gifts we have received so that we can be involved in the ministry that God has designed us to fulfill. A Spiritual Gifts test is included in this lesson.

Lesson 7 - ***Other Facets of the Holy Spirit***: Besides all that we've discovered about the Holy Spirit in the first six lessons, Scripture tells us that He performs other very important functions in a believer's life every day. We need to understand and allow Him to fully work in our lives if we want to experience Dynamic Living. This lesson focuses on our responses to the Holy Spirit and what happens when our responses are negative.

Lesson 8 - ***Walk in the Spirit***: In this lesson, we learn what is necessary for us to do if we want to be obedient to God's Word which says to "walk by the Spirit." Scripture gives very clear, concise instructions that if we will just follow them, we will discover the source for "Dynamic Living."
